

# Quarantine Curriculum - Week 8

May 2, 2020 | 0

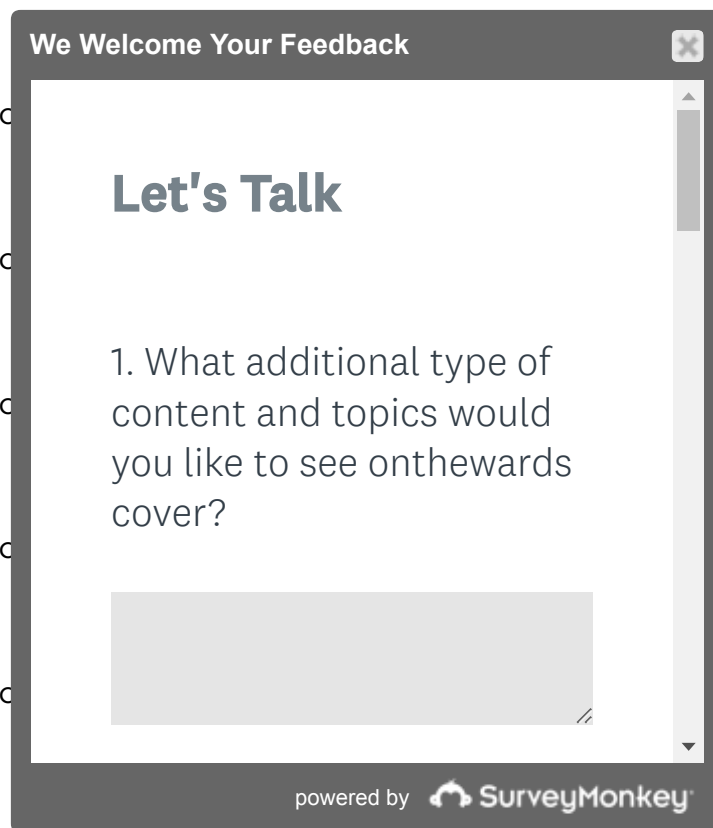

[intensive care](#), [onthepods](#), [Quarantine Curriculum](#), [tips for internship](#)

Welcome to Week 8 of your Quarantine Curriculum.

This week we share podcasts on [cannula tips & tricks](#), how to manage [undifferentiated shock](#), tips for managing patients with [oliguria](#), [tracheostomies](#), as well as looking at [altered levels of consciousness](#) and the [#TheatreCapChallenge](#).

Until next week's Quarantine Curriculum, stay safe.
